care & prayer

Please be in prayer for the following families and individuals:

- Fenny VanDaalen has moved back to London and is receiving palliative care.
- After a great start to the stem cell transplant process Brian Mason is experiencing the expected side effects of the procedure including decreased blood cell counts, an infection and other issues. Please continue in prayer Brian and his family.

- Thank you for the prayers and emails in the recent passing of our step father and grandfather. We are comforted to know he is now with his loving Father. ~The Hazenberg family

Invitations and announcements from all over the London area - from churches, schools, and community groups for concerts, dinners and fundraisers. Here is one to highlight:

- Teen Challenge is holding their annual fundraising Gala on March 22 and 23. Come learn about the transformation young men have seen in their lives, and how Teen Challenge has offered help and hope to those caught in addiction. For more information click [here](#).

To see what else is going on in the broader London faith community click [here](#).

From the stream of our tradition: Here you can find newsletters or blog updates or invitations from our broader reformed tradition and our community at large. We want to pass those on to you and give you the opportunity to engage in that broader community as well!

- If God knows everything we need before we even ask, then why bother praying in the first place? It's an interesting question, one maybe some of you have asked. These two blog posts: [Prayer: Why Bother](#) and [Prayer: What if We're Doing it Wrong?](#) help to answer these questions.
