From the stream of our tradition: Here you can find newsletters or blog updates or invitations from our broader reformed tradition and our community at large. We want to pass those on to you and give you the opportunity to engage in that broader community as well!

- Sanctuary London's newsletter is a unique opportunity to see inside the lives of those who come to Sanctuary. We sat down and asked some folks (with their permission to share their answers) a series of questions about their backgrounds, life on the streets, what it's like to look for housing, and the challenge to get to daily meals. We also asked each person to share a little about themselves - what is fun for them, how they see the world, and what Sanctuary means in the midst of all that. The result is [this newsletter](#). We hope that you enjoy a snapshot of a "day in the life." And please consider attending Sanctuary London's fundraiser on April 26. We will share a family style meal together, prepared by Sanctuary friends and hear more about the work that they do and how we can support that.
