

## WonderKids Christmas Program: Dec 14<sup>th</sup>, 10am.

Here's what you need to know about our Christmas program:

- **We're singing three songs**, and doing lots of actions as part of a drama we've been practising during our gathering time. One of the songs is "This Little light of mine" and another is written out below. Ask your child(ren) to sing them for you or with you at home!
- We're planning a **full rehearsal on Sunday, Dec. 7** in the sanctuary immediately after worship. Kids will go directly from their classrooms to the sanctuary, escorted by teachers, so feel free to drink a coffee before you pick them up. Rehearsal should take about 20 minutes.
- On Sunday, Dec. 14, we would like the children to **dress in their "Sunday best" unless they are a part of the drama and have been asked to wear something else specific.**
- **Please arrive at the church at 9:30 a.m.** on Dec. 14 so that we can go over our songs once more and make sure we all know where we're standing. The children will enter the sanctuary together and sit in the front pews before they sing.
- If you have any questions, please contact Shari Gibbons 519-457-3621 or [gibbons.shari@gmail.com](mailto:gibbons.shari@gmail.com)

---

(To the tune of "Twinkle, twinkle, little star")

Try to twinkle, little star  
Then we'll know just what you are.  
Up above the world so high,  
Like a diamond in the sky,  
Try to twinkle, little star,  
Then we'll know just what you are!
